Palestine Calling

One stand against coronavirus

DONATE

Today, more than ever, Palestine people and country need your help to face the coronavirus Pandemic

Poverty, illness, siege, and lack of resources hinder our people's ability to endure the crisis

Each one of us can help limit the spread of this pandemic and support families as we approach the holy month of Ramadan

Help Taawon provide relief to people in Palestine

Provision of emergency preventative needs and nutrition for marginalized families

Provision of necessary medical equipments, and consumables to combat the coronavirus pandemic

Taawon has started ... and with your contribution, will continue our support to strengthen the health sector and enhance the steadfastness of Palestinian people

Our united stand will make a difference in combating this pandemic
